

Private Driving License Procedure

Overview

A private driving license is issued from the traffic units of the place of residence. The license is valid for ten years.

Required Documents

1. Original national ID card and a photocopy of it.
2. Two recent personal photographs.
3. A qualification certificate from an accredited driving school.
4. Proof of residence such as an electricity or water bill.

Medical Examination

The applicant must pass a medical examination including an eye test and a color blindness test.

Fees

The fee for a private license valid for ten years is approximately 250 pounds including the medical examination.

Processing Time

The license is received on the same day after passing the tests and the medical examination.
