

Egyptian Passport Renewal Procedure

Overview

An Egyptian citizen can renew their passport through the Passports, Immigration and Nationality offices. The new passport is valid for seven years.

Required Documents

1. Original valid national ID card and a photocopy of it.
2. The old passport if available.
3. Two recent personal photos with a white background, size 4x6 cm.
4. Military service status certificate for males aged 18 to 30.

Fees

The standard renewal fee is 500 Egyptian pounds. The expedited service costs 650 pounds.

Processing Time

Standard issuance takes three to five working days. Expedited issuance is completed within one working day.
